

IMPROVED SECURITY FOR ONLINE SHOPPING

When you make a purchase from a participating online retailer, you may now be sent an SMS verification code as part of the checkout process. Simply enter this six-digit code into the validation field to prove you are the rightful owner of the card.

We will send the verification code by SMS to the mobile number we have on record for you. If you have recently changed your mobile number, want to check we hold the right number, or have any other questions about this new security feature, please contact services-client@centuriumbank.com or call us on +44 (0)7488 845584.
